MUSAB ZAKA

FLUTTER & WEB DEVELOPER

Lahore, Pakistan | +92 305 1406234 | musabzaka103@gmail.com | musabzaka.netlify.app | linkedin.com/in/musab-zaka | github.com/MusabZaka

PROFILE

Flutter Developer with **1.5+ years** of professional experience building and publishing Android and iOS applications. Experienced in **GPS/IoT tracking, REST APIs, Google Maps, real-time location data, Firebase, and app deployment**. Currently developing and maintaining multiple GPS tracking products at Tracker IoT, from frontend development to complete Flutter applications with API/backend integration.

EXPERIENCE

Flutter Developer — Tracker IoT
Apr 2025 – Present · Lahore, Pakistan

- Developed and maintained **15+ Flutter GPS tracking applications** for Android and iOS.
- Built tracking interfaces using **Google Maps, real-time locations, vehicle markers, device status, routes and tracking data**.
- Integrated **REST APIs and GPS tracking servers/platforms** to display live vehicle and device information.
- Worked on **location history, geofencing, alerts, sensors and tracking reports**.
- Developed both **frontend-focused applications and complete applications involving API and backend integration**.
- Fixed production issues, improved existing applications, and prepared releases for **Google Play Store and Apple App Store**.

Freelance Mobile & Web Developer
2026 – Present · Remote

- Built and published applications from development through **Play Store/App Store release and post-launch updates**.
- Developed **HighTrack Pro and MT Tracker-IoT**, real-time GPS tracking applications.
- Developed **Zero1**, a digital product marketplace with product and shopping functionality.

PERSONAL PROJECTS
Islamic Apps

- Launched **Qirayah**, a 16-line Tajweed Quran reader, on Google Play Store — fully ad-free.
- Building **Manasik** (Hajj & Umrah companion) and **Nuran** (Quran, Azkar, Prayer Times, Qibla and more).
